PROVIDER ORDERS

Written medical orders are required for all procedures ordered by a licensed health care professional authorized to independently treat. Registered Nurses (RN's) may accept and implement orders for client care/treatment from a client's healthcare provider. These orders will be used by RN's at Molalla River School District to provide medical services for students enrolled in schools within the district. **These orders are valid for one year from the date of signature unless changed by the ordering provider.**

Please provide information pertaining to specific medication, equipment, diet, precautions, activity restriction and position consideration as pertinent for school and school sponsored activities. Please returned this for to the designated school, attention: Jan Olson, RN

The parent is responsible to provide medication, testing supplies or equipment pertaining to these orders. The RN may train/delegate school personnel to provide these procedures when the RN determines it is safe to do so as provided in the RN scope of Practice rules.
